Dear Mr. Gussman:

Pursuant to your recent request, I have enclosed a copy of the analytical results from a soil sample collected on September 25, 1989. This sample was collected on Cerro Copper property at the same location as the September 20, 1989 pole drilling incident.

If you have any questions regarding this matter, please feel free to contact myself or Tom Miller at the above number.

Sincerely,

ENVIRONMENTAL PROTECTION AGENCY
